

**Headwaters Health Care Centre's Capital Equipment Priorities
Community Support Required for 2009-2010**

Department	Item	Donation Required
Diagnostic Imaging	Digital Mammography Machine (\$697,000)	\$97,000 *
Diagnostic Imaging	Dual-Head Nuclear Medicine Camera (\$900,000)	\$400,000 *
Complex Continuing Care	Bariatric Chair Scale	\$2,400
Emergency	Training Mannequin	\$12,500
Emergency	Glidescope	\$10,000
Emergency	Bedside Cardiac Monitor (2 needed @ \$17,000)	\$34,000
Emergency and Medical Program	Portable Patient Lifts (4 needed @ \$7,000 each)	\$28,000
ICU	Ultrasound Probe	\$10,000
ICU	Bedside Cardiac Monitor (4 needed @ \$17,000)	\$68,000
Laboratory	Blood Bank Refrigerator	\$17,000
Laboratory	Osometer	\$20,000
Medical Program	Ceiling Lifts (16 needed @ \$2,000 each)	\$32,000
Medical Program	Upgrade Cardiac Monitoring	\$19,000
Physical Plant	Primex Wireless Time System	\$37,000
Respiratory Care	Crash Carts (12 needed @ \$2,200 each)	\$26,400
Surgical Program	Brook Walter Retractor	\$25,000
Surgical Program	Pneumatic Stockings	\$2,500
Surgical Program	Filischie Clip Applier	\$6,300
Surgical Program	Paediatric Colonoscope	\$38,000
Women's & Children's Program	Infant Stabilette	\$25,000
Information Technology	Wireless Infrastructure Upgrade	\$27,100
Information Technology	Computers on Wheels -- Nursing Program	\$43,000
Information Technology	PC Replacement -- Hospital Wide	\$56,500
Information Technology	Server Replacement	\$11,300
Hospital Wide	Beds, mattresses, wheelchairs, sleeper chairs, etc.	\$70,000
Hospital Wide	Contingency	\$50,000
Total to be raised from our community		\$1,168,000

* balance yet to be raised

In addition to the hospital's annual equipment needs of over \$1million, there is a five year plan to acquire new Diagnostic Imaging equipment such as an MRI, digitally upgrade our radiography (x-ray) facilities and add additional emergency, ambulatory and day surgery capacity. For more information please contact Joan Burdette, Executive Director, Headwaters Health Care Foundation.
