 - High risk (one every 12 months). Must indicate reason
- Must indicate reason for high risk**

Referring Physician Signature:

C.C. _____

Date (mm/dd/yy)

Mammogram Patient Preparation:

- Do not wear any deodorant, talcum powder or perfume on the day of your examination.
- Some people find avoiding all caffeine products (coffee, tea, chocolate) for 72 hours prior to your appointment time helps minimize the discomfort of breast compression.
- Please notify us at time of booking about previous Mammograms so we can obtain them for comparison purposes.

Bone Mineral Density Preparation:

- Please discontinue taking Calcium supplements, Antacids (Rolaids or Tums) or Multi-vitamins 24 Hrs. prior to your appointment time. If a supplement has been taken your test will be rescheduled.
- Be prepared to be changed into a hospital gown for an optimal exam.

"We do our best to keep on time, but urgent and emergency patients take priority." Children whose parents are having an examination WILL NOT be allowed into the exam room. PLEASE MAKE THE NECESSARY BABYSITTING ARRANGEMENTS. For more information, please visit us online at www.headwatershealth.ca
