Headwaters Health Care Centre in Orangeville, Ontario, is inviting applications for a permanent, full-time Royal College-certified Obstetrician and Gynecologist to join the Department of Obstetrics and Gynecology.

Headwaters Health Care Centre is an innovative, community centered medium-size hospital located in beautiful Dufferin County. Headwaters offers acute and complex continuing care with 24/7 Obstetrics and Emergency Department coverage as well as extensive outpatient services in a newly built Ambulatory Care Centre and is accredited with Exemplary Standing by Accreditation Canada.

Headwaters is committed to maintaining a team of 4 Obstetricians and Gynecologists to serve the growing community of Orangeville and its surrounding areas. There is a midwifery program supporting 6 midwives within the Department of Obstetrics. The hospital currently performs almost 900 deliveries a year. The intended start date for this position is January 1, 2021, however dates are negotiable and an earlier or later start date is possible.

The successful candidate would be expected to maintain both an outpatient and inpatient practice, and to provide 1 in 4 call coverage for Obstetrics, the Emergency Department and the Inpatient units. The ideal candidate should be patient centered, demonstrate leadership capabilities and work well with different teams. The candidate must have an accredited training in Obstetrics and Gynecology approved by the Royal College of Surgeons of Canada. Subspecialty training in advanced laparoscopic gynecological surgeries, urogynecology, or fetal medicine is an asset.

Interested candidates please contact Liane Manifold, Senior Administrative Assistant at lmanifold@headwatershealth.ca. Please include your expression of interest and your Curriculum Vitae (CV). Applications will be accepted until Friday, October 30, 2020 at 11:00 pm. Successful candidates will be contacted to arrange interviews in November 2020.
